CURRICULUM VITAE

PERSONAL STATEMENT

I am a competent professional with a Diploma in Geographic Information Systems and Remote Sensing. I am currently enrolled at NUST pursuing a degree in GIS and Remote Sensing. I am interested in an internship within your organisation in order to prepare myself for a future career. This internship would be a great opportunity for professional development by further diversifying my skillset, challenging me and overall giving me a new perspective outside of the school setting. Can adapt to new working environments
